

Designed specifically to meet the decor needs of commercial projects, this collection features colorways, finishes, and patterns that coordinate easily with the other materials you specify. All Premium Laminate designs also feature AEON™ Enhanced Performance Technology, which has been proven to dramatically outperform traditional laminate for wear and scuff resistance.

EDGEBAND

Offering a smoother finish and higher heat resistance, Wilsonart® Edgeband is a cost-effective edge solution for all your commercial projects and offers many benefits over traditional PVC and HPL strip edging. Available to complement most Wilsonart Laminate designs.

Inspired by today's popular granite, marble and quartz looks, these designs are richly dimensional, realistically textured and intrinsically practical. And like all Wilsonart Laminates, they meet or exceed the industry standards for both residential and commercial use.

Wilsonart® HD® High Definition® Laminate, Type 376, is available in 59 designs. It has an optical dimensionality plus increased wear resistance and is postformable. Wilsonart HD is intended for residential applications and many commercial applications including countertops, work surfaces, checkout counters, and tabletops.

Wilsonart HD designs are priced higher than standard and premium laminates. Not all designs are shown at 100% scale. Colors shown are printed reproductions. For maximum fidelity, please request product samples. Optional finishes may be available by special order. Call your distributor for details.
